

DRURY SCHOOL: Policy 4.01 – Damage to Property

Rationale:

School equipment and buildings belong to our community and are paid for and maintained from our school funds. Everyone must ensure they are respected.

Purposes:

1. To outline procedures to be followed to minimise damage.
2. To outline procedures to be followed in the case of deliberate damage.

Guidelines:

1. The emphasis will be on 'prevention' measures.
2. Students will be encouraged to take pride in their school and respect their own and other people's property and keep free of inappropriate writings, engravings, and other damage.
3. Teachers will oversee the maintenance of books, resources, desks and chairs, and other property.
4. Students who write on, or otherwise damage school property, will be required to make good the damage in their own time and at their own expense.
5. In the case of wilful damage to property or buildings, parents will be notified and required to pay for repairs.
6. The police will be notified at the discretion of the Principal in cases of serious wilful damage.
7. A security firm is contracted for the protection of buildings and property after hours.
