Fri 28 Matariki Kite Flying day  
Yr 5-8 Mathex Competition

### JULY

Mon 1 FODS Meeting - staffroom 7pm  
Tues 2 School Cross Country  
Wed 3 Drury Litter Blitz  
Fri 5 Reports home - end of term 2

### WELCOME TO OUR NEWEST STUDENTS:

Welcome to Marina Nasa and Romana Ali who have joined our new entrant room.

### SCHOOL CROSS COUNTRY:

This annual event takes place **next Tuesday 2 July**. We encourage students to run in suitable shoes and a shirt in their house colour.

- Year 0-4 students will assemble at 9.15am for their races
- Years 5-8 students at 10.55am.

Parents and grandparents are welcome to attend and cheer everyone along. Some students don't enjoy cross country running, however gain a great sense of achievement from taking up this challenge and completing the event. They will really appreciate your support and encouragement.

### 105 NON EMERGENCY

NZ Police recently launched a new non-emergency number, **105**. They have done this to make it easier to get hold of them in the event of non-urgent situations or 'Things That Have Already Happened' which don't require Police assistance immediately. **You can call them on 105 for all non emergencies or you can go online to 105.police.govt.nz** to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- or to get an update/add to a report

**In the event of an emergency, always call 111 - Things That Are Happening Now.**

## Principal's Reflection

Kia Ora Koutou.

Thank you to the parents and grandparents that were able to join us for the maths open morning yesterday. It is always lovely for the students to be able to share their learning with you. The partnership between home and school is so important. For those that could not attend on Tuesday we look forward to sharing learning journeys with you in 3-Way conferences next term.

In the holidays we are due to start some property work to maintain and upgrade our classroom spaces. This work will involve re-roofing or repairing roofs around the school. Following this we are pleased to announce that we will be refurbishing the interiors of Rooms 4, 5, 13, 14, 16, 17 and 18. Some of this work will occur during term time, meaning that classes will be temporarily relocated in other spaces. We are very excited to be upgrading these environments for students and staff.

Last week our new Board of Trustees met for the first time. I would like to congratulate Paul Rohloff who was appointed as Board Chairperson and Amanda Needham as Deputy Chairperson. I look forward to working with the Board; Paul, Amanda, Mark, Glenn, Jo and Tanya (staff) to continue to provide effective governance.

Ngā mihi nui

Robyn Malcolm - Principal

**COLOUR DAY TOMORROW: Instead of their school shirt, tomorrow we would like the students to wear their FODS house colour shirt (if they purchased one last year) or a plain coloured shirt in their House colour.**

## CLASS SNIPPETS ..... from Room 9:

### Recently Room 9 designed a 'Geometrocity'!!!

A 'Geometrocity' is a geometry project where all of us used our prior knowledge along with new understanding to build a city like the one in the picture. The project included 2D and 3D shapes, Area, Perimeter, Angles, Nets and a lot of paper and glue.

We had to build, for example, a skyscraper, a hotel and a gas station. After completion, we reflected on what we have learned, noticed and the things we can improve on.

## MATARIKI ASSEMBLY - PARENTS WELCOME

Tomorrow at 1.30pm we will be holding the closing assembly for our Matariki Celebrations. This will be a special time for classes to share some aspects of their Matariki activities. In addition our Kapa Haka groups will be performing items. Parents are most welcome to join us.

## FODS REUSABLE BAGS/BESWAX WRAPS FUNDRAISER

Don't forget that **orders close on Friday 5 July** (last day of term) for the Produce Bag Set (\$14); reusable sandwich bags (\$10); and beeswax wrap set (\$15). Orders forms were sent home but you can contact the school office if you need one. Please support this FODS fundraiser and our school focus on litter-less lunchboxes. Delivery of orders will be early in Term 3.

## CALF CLUB ANIMAL TALK AND VACCINATIONS

On **Thursday 25 July @ 2.30pm** Franklin Vets will be giving a 15 minute talk to those students who are entering lambs, goats, pigs and chickens into Calf Club Day this year.

They are also offering to vaccinate lambs and goats at the end of the talk. If you would like to take advantage of this and can arrange to have your lamb or goat at school that afternoon, please leave your name with the school office.

Calf Club Chickens will be delivered in Week 1 next term. We will advise you of the day as soon as it is known. In the meantime, please prepare a small cardboard box to transport your chickens home in.

## HOOKED ON HUMANITY

One of our younger students was upset as her classmate had taken her drink bottle and hidden it. **SHERIDAN GRIFFITHS** overheard the conversation and, while a member of staff was dealing with the issue, Sheridan took it upon herself to help.

She went in search of the drink bottle, located it and returned it to the student. A real act of humanity Sheridan. Well done and thank you.
